

The New England Morgan Horse Association's
2022 New England Morgan Horse Show

Greetings,

Please consider attending the 2022 New England Morgan Horse Show.

This year the show is the week of July 25th.

This is the Eighty-Third year of the second largest Morgan breed show in the country. The show is held at the Tri County Fairgrounds in Northampton, Massachusetts. The show attracts thousands of attendees, owners, trainers, and competitors of all ages.

Our vendor tent is one of our popular attractions of the show. This is a 150-foot x 60-foot tent set up between the main show ring and the main barns on a grass field. Space is available in single or multiple 10 x 10-foot areas. We also offer space outside the tent for food and merchandise vendors.

Please feel free to contact me with any questions or requests you may have about joining us at the 2022 New England Morgan Horse Show!
