## Exhibitor Information

- Appropriate carriage driving customs, rules and traditions are to be followed. The Carriage Driving Division will be held in accordance with the most current USEF rules. It is the competitor's responsibility to be familiar with the current rules.
- **Entry:** Entry is defined by horse and driver combination.
- **Driver:** Drivers may compete more than once on same course with a different horse. Grooms and passengers may compete as a driver in the same course. Junior drivers under the age of 14 must be accompanied by a knowledgeable adult driver capable of rendering assistance. All junior drivers must wear a properly fitted ASTM/SEI approved headgear with the chinstrap fastened always.
- **Vehicle:** Different vehicles may be used in different classes. It is the driver's responsibility to present the correct vehicle for measuring prior to any obstacle classes.
- **Horse:** Horses may compete more than once on the same obstacle course, but not in the same class (except as part of a multiple).
- **High Point Awards** will be tallied and posted, as the show progresses, at the Carriage board.
- **Driven Dressage:** Tests can be found at <https://www.usef.org/compete/disciplines/carriage-pleasure-driving>  
**NOTE:** be sure to look for the Carriage **Pleasure Driving** Dressage Tests.
- **Order of Go:** Will be posted on the official carriage notice board. Dressage and Reinsmanship will have specified drive times. Management will do its best to accommodate conflicts with classes in the main ring. It is the competitor's responsibility to notify the carriage coordinator as soon as conflicts are identified. It is the competitor's responsibility to be ready to go when called. After a reasonable wait, management may announce that a time limit may be invoked. Some classes may be run back to back.

**CHAMPIONSHIPS POINTS** awarded as follows: 1st place – 8pts; 2nd place – 7 pts; 3rd place – 6pts; 4th place – 5pts; 5th place – 4pts; 6th place – 3 pts; 7th place – 2 pts; 8th place – 1 pt.

**Individual Reinsmanship Test:** Competitors enter the ring individually and drive a short course of defined elements in order and at prescribed paces from memory. Entries must follow the designated track without deviation. Unless otherwise specified, elements begin when the horse's nose reaches the marker. To be judged on the driver's skill: use of aids, control of the horse(s), accuracy, quality of transitions and gaits, with additional consideration of impressions of the turnout and driver. Position and Aids – The driver should be seated comfortably on the box so as to be relaxed and effective. Either the one- or two-handed method of driving is acceptable. Common to both methods, contact with the horse's mouth should be maintained with an elastic, supportive hand. Drivers should not be penalized or rewarded for using one style over another. The use of the whip and the voice are important aids in driving and should be used effectively and discreetly.

**Scoring:** The entry receives numerical scores between 0-10 for each element – on use of aids, control of the horse(s), accuracy, quality of transitions and gaits. Half-points may be used for scoring all elements. (Maximum total score = 10 x number of elements)

Overall Impression – of the turnout on the condition and fit of the harness and vehicle, neatness of attire. (Maximum total score = 10)

General Impression – of the driver on posture, relaxation, confidence and effectiveness. (Maximum total score = 10)

Perfect Score = 10 x total number of elements + 10 for General Impression + 10 for Overall Impression. Ties are decided by the total of Overall Impression and General Impression scores.

The scale of marks:

10 – Excellent

9 – Very Good

8 – Good

7 – Fairly Good

6 – Satisfactory

5 – Marginal

4 – Insufficient

3 – Fairly Bad

2 – Bad
